

**Annual Holiday Gathering of Scintel Clients
and Employees**

Atlanta, December 04, 2008

Scintel celebrated growth and another successful year with splendor at the company's annual holiday party event held at the beautiful Payne Corley house in Duluth, GA, USA on December 4th, 2008. The happy attendees included Scintel's customers, employees, families and friends. The evening started out with associates being recognized and appreciated for their outstanding contributions and dedicated efforts.

As guests came in, the evening emerged as a perfect platform for customers and the Scintel team to interact outside of the routine office environment. It was an excellent opportunity to continue to build on our existing relationship and understanding with our customers. All the guests had a wonderful time playing casino games with play money and also bid their prize money for fun gift baskets organized by Scintel.

The evening was a memorable one. No words could summarize this better than the words of one of our associates who wrote back to us to give us feedback on his experience at the party, "Thank you for a superb and entertaining evening! That was the best company holiday party I have attended in all my years in corporate America".
