

Retail Powered by Scintel

The Scintel difference.

Retail organizations face pressures on a daily basis. You need the right partner to help you navigate the ever-changing retail technology landscape. Scintel offers a robust set of IT services that retail organizations can depend on to meet and surpass expectations of what IT can, and should, do, including:

- RFID inventory tracking to instantly locate DC merchandise
- Legacy system management, web enablement, and decommissioning
- System stability dashboards that anticipate future IT needs
- Supply chain improvements such as vendor event orders and reverse logistics
- Online commerce enhancements including cross-channel and mobile marketing

The right partner.

Our leadership team includes former high-level retail IT executives, so we understand the urgency of the business, volatility of market conditions, pressure to meet profit margins and the need to differentiate. As your partner, Scintel utilizes this knowledge and experience, along with one of the largest retail teams in the industry, to create solutions specific to your environment.

IT solutions are complex. We keep it simple.

Scintel works with you to create solutions aligned with your current business processes. Whether you are looking to improve supply chain management, make better markdown decisions or determine the best merchandise mix, Scintel simplifies the process and provides solutions to some of the most complex IT issues retailers face.

Accountability, consistency, value.

Just like you, we hold ourselves accountable for every aspect of every project. We set aggressive goals, take the lead, and deliver outstanding results down to the last critical detail. We pride ourselves on our work and the value we can offer you as a client. Want proof? Here are some real results from retailers like you:

- Slashed processing errors by over 80%.
- Curtailed logistics systems problem tickets by 65%
- Cut production support costs by 50%
- Improved system availability to 99.9%
- Reduced annual costs by \$1 million

Innovation not interruption.

Scintel is your partner in the truest sense of the term. We work as an extension of your own team putting our resources and reputation on the line. That's how we built our retail practice – with integrity, accuracy, and delivery that is on time, on budget, and exceeds expectations.

Just like you, we hold ourselves accountable for every aspect of every project. We set aggressive goals, take the lead, and deliver outstanding results down to the last critical detail. We pride ourselves on our work and the value we can offer you as a client.
