**Empowering Intelligent Business**

**Scintel is ISO 9001:2008 certified**

**Chennai, February 1<sup>st</sup>, 2010**

Effective February 1<sup>st</sup>, 2010, Scintel announces a significant milestone of achieving ISO 9001:2008 certification of its Quality Management Systems. The certification audit was done by Bureau Veritas. ISO 9001:2008 is accepted worldwide as the inclusive international standard that defines quality.

The registration of compliance with ISO 9001:2008 recognizes that the policies, practices and procedures of Scintel ensure consistent quality in the software development and maintenance services that we provide to our customers.

SCINTEL is committed to providing services that consistently meet or exceed customer expectations, through the application of a well defined Quality Management System whose performance is measured, monitored and improved using defined objectives.
